URGING THE CIVIL SERVICE COMMISSION TO SEEK OUTSIDE FUNDING FOR A COMPREHENSIVE RECLASSIFICATION SURVEY, ~~AND TO REFRAIN FROM APPROVING ANY NEW CLASSIFICATIONS PENDING COMPLETION OF THIS SURVEY~~

WHEREAS, There is general agreement that there currently exist an excessive number of civil service classifications, including some 130 obsolete classifications, some 218 single-position classifications, and some 70 administrative and management classes; and

WHEREAS, This excessive number of classifications greatly increases the cost of examinations, which has resulted in a substantial backlog of classifications for which examinations have not been held thereby requiring the employment of individuals on a temporary basis in violation of basic merit principles, and thus placing the City in jeopardy of being found in violation of its agreement with the State of California Merit System; and

WHEREAS, The Civil Grand Jury has recommended a reduction in the number of classifications so that the number of examinations could be reduced and the number of qualified applicants for any open position could be increased; and

WHEREAS, Some 40 (forty) new classifications are included in the 1981-82 budget, requiring examinations to be given for these classifications; and

WHEREAS, The Civil Service Commission has requested and received supplemental appropriations totalling $475,000 for the purpose of giving additional examinations and reducing the total number of classifications; and

WHEREAS, a comprehensive review of all civil service classifications would require substantial additional funding; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby urge the Civil Service Commission to actively seek outside funding for a comprehensive reclassification survey; and, be it

~~FURTHER RESOLVED, That this Board of Supervisors does hereby urge the Civil Service Commission to refrain from approving any new classifications pending the completion of such survey; and, be it~~

WHEREAS, S 1378 and HR 3955, the so-called "Family Protection Act" are beginning the process of hearings before the United States Senate and House of Representatives; and,

WHEREAS, The bill would cut off all federal funding to any individual or association that represents homosexuality as an acceptable lifestyle; and,

OPPOSING FEDERAL MEASURES DESIGNED TO INHIBIT LOCAL GOVERNMENTS FROM ENACTING RENT CONTROL OR RENT STABILIZATION MEASURES

WHEREAS, The Banking Committee of the United States Senate has voted to restrict and/or abolish housing subsidies to those localities which currently have, or do enact, rent control or rent stabilization measures; and

WHEREAS, The national rental vacancy rate is at an all-time low, construction of rental units affordable to low and moderate income Americans is virtually at a standstill and the conversion of apartments to condominiums or other forms of community apartments projects have all combined to create a situation where renters are, in some jurisdictions, in need of special protections; and

WHEREAS, The right of local government to determine its own response to the housing crisis is necessary to the solution of that crisis and the mitigation of its adverse impact on the residents of the jurisdictions; and

WHEREAS, Rent and eviction controls fall within the police powers of local government and within the initiative powers of the voters of said jurisdictions; and

WHEREAS, All local and state governments and all legislators should unite to defeat this assault on home rule; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco oppose legislation which would restrict the ability of local jurisdictions to enact rent control or rent stabilization ordinances, and the defeat of any measure which would couple the allocation of Federal housing subsidies to the lack of rent control or stabilization ordinances at the local level; and,

FILE NO. 436-80 RESOLUTION NO. 793-81

co 9/2/81 AND AMENDED CLAIMS
DENYING CLAIMS/ FOR REFUND OF UNSECURED PROPERTY TAXES FOR TAX YEAR 1978-79.

WHEREAS, A number of taxpayers have filed claims/ and amended claims for refund of unsecured property taxes in whole or in part on the theory that the City and County of San Francisco, in setting the tax rate on the unsecured roll for 1978-79, improperly utilized the tax rate specified in Article XIII, Section 12 of the California Constitution ($11.70 per $100 of assessed valuation) rather than the tax rate mentioned in Article XIII A of the California Constitution ($5.06 per $100 of assessed valuation); and

co 9/2/81 WHEREAS, These claims/ and amended claims for refund have been held in abeyance pending the outcome of appellate litigation on the same issue, namely, the cases of Board of Supervisors vs Lonergan (1980) 27 Cal. 3d 855 and Hanson vs County of Los Angeles (1980) 27 Cal. 3d 870; and

WHEREAS, The California Supreme Court in the above cited cases has decided that the proper tax rate on the unsecured roll for 1978-79 indeed was that set forth in Article XIII, Section 12 of the California Constitution so that it is now established that the City and County of San Francisco acted properly in setting its 1978-79 tax rate on the unsecured roll at $11.70; now, therefore be it

RESOLVED, That this Board of Supervisors does hereby deny co 9/2/81 all claims/ and amended claims for refund of unsecured property taxes as set forth in the listing entitled "CLAIMS FOR REFUND OF UNSECURED PROPERTY TAXES FOR TAX YEAR 1978-1979," contained in Board of Supervisors' file number 436-80, and incorporated herein by reference as though fully set forth.

URGING SUPPORT OF AB 2271, CONTINENTAL AIRLINES EMPLOYEE STOCK OPTION OWNERSHIP PLAN

WHEREAS Continental Airlines began service to San Francisco in 1969 and has been an integral part of this community since that time; and

WHEREAS, Continental Airlines currently employs over 5,000 employees in California with an annual payroll approaching $150 million and provides an additional contribution to the economy with average annual expenditures of over $181 million; and

WHEREAS, Continental operates 40 flights daily and boards over 1,400,000 passengers annually from California cities (213,000 from San Francisco), providing direct and convenient service for business people and tourists between San Francisco and other cities in the Continental United States; and

WHEREAS, San Francisco and its citizens clearly have a strong interest in the future of Continental Airlines because its employees live here, their jobs and other jobs depend upon the financial health of this airline, and Continental provides daily service to the area's business community and private citizens; and

WHEREAS, The employees of Continental Airlines have proposed that an Employee Stock Ownership Plan (ESOP) be created in order that the employees of Continental Airlines may acquire controlling interest in their own airline and prevent a takeover by outside interests; and

WHEREAS, Studies have shown that companies that are employee-owned are more productive and more profitable than their conventionally-owned competitors, and with the adoption of the ESOP plan, Continental's employees will be more than employees -- they will be the owners of the company with an interest in its future; and

WHEREAS, There is increasing recognition of the importance of employee interest in their jobs in order to increase productivity and increase capital formation for industry, both of which would be accomplished through the Continental ESOP; now, therefore, be it

RESOLVED, That the City and County of San Francisco Board of Supervisors expresses its support of the employees of Continental Airlines in their efforts to acquire control of Continental Airlines by creation of an Employee Stock Ownership Plan (ESOP); and, be it

FURTHER RESOLVED, That the Clerk of the Board is hereby directed to transmit copies of this resolution to Her Honor, the Mayor, for transmittal to our Legislative Advocate for presentation to the San Francisco delegation in the State Senate and to Governor Edmund G. Brown, Jr. with the request that they support AB 2271 which will be heard by the Senate by September 15, 1981.
